

## 3-day Virtual Insight Sessions with Cornwall employers

Interested in space &  
our universe?

Then why not join this VWEX  
opportunity with

**May 24-26th**

Learn about opportunities  
in the space sector; what  
upstream innovations are  
(launch, rockets and space  
systems); and downstream  
(satellite applications,  
communications).

Interested in computer  
technology?

Then why not join this VWEX  
opportunity with

**May 24-26th**

Hear about opportunities &  
apprenticeships available  
within a global company;  
artificial Intelligence;  
and how to develop an  
idea for a new  
mobile application.

### HOW CAN I APPLY?
