

Our new portal is LIVE!

Follow the steps below to help you migrate to your new portal account

How can I access the new portal?

Use [this link](#) to access the new portal.

Enter the username and password that you used on our previous portal.

You should then see a page informing you of our 3 step migration process. Complete this process.

You should then receive an email to reset your password for the new portal. Check your junk/spam folder.

Reset your password as prompted by this email and accepted our T&C's.

Enter your username and new password on our page:
app.speakersforschools.org
